I am a highly experienced Ecommerce developer with over 5 years of experience. I specialize in building custom Shopify themes and apps that are optimized for performance and user experience. My skills include HTML, CSS, JavaScript of Shopify and WordPress.

In my previous projects, I have worked with clients from various industries, including fashion, beauty, and electronics. I have successfully built Ecommerce stores that are user-friendly, fast-loading, and visually appealing. My expertise in Ecommerce also extends to app development, where I have experience in building custom apps that integrate seamlessly with Shopify's APIs. I am a problem-solver and a team player, and I always strive to exceed my clients' expectations. I have excellent communication skills and can work with clients remotely or in-person. I am committed to delivering high-quality work on time and within budget.
